

DEMENTIA... AND YOU! THREE PART PROGRAM

FREE program for carers by Carers Victoria

Caring for a person with a diagnosis of dementia?

This program is an interactive series of three three-hour sessions that provide information and practical strategies to assist carers in their caring role. Each session builds on the content of the previous session.

WHO SHOULD ATTEND

The program is open to carers and other family members of a person with dementia who have had a diagnosis.

SESSION 1

Understand Dementia: the realities and myths, and learn about the brain and behaviour

SESSION 2

Build communication techniques and strategies for managing behaviours of concern

SESSION 3

Explore how to care for yourself and problem solve.

Please note: Participants must attend the first session to continue in the program and cannot bring the person they care for.
