Rights of children with disability – Student Support Groups – Reasonable adjustments  
Learning and behaviour support plans – Partnership with your school – What is advocacy

### **About ACD:**

For nearly 40 years ACD has been supporting children with disability and their families across Victoria.

Their vision is for children with disability and their families to have the same rights and opportunities as other children and families.

ACD are a not-for-profit organisation led by, and for, families of children with disability.
