

How to get proof of your COVID-19 vaccination on your smartphone if you have Medicare

Have you downloaded the Service Victoria app?

No

Yes

Download the Service Victoria App

I can't download the Service Victoria App

Add to digital wallet

- Sign into myGov
- Tap 'Medicare'
- Tap 'View proof' in 'Proof of vaccinations'
- Tap 'View history'
- Tap your name / dependent's name
- For iPhone tap 'add to Apple Wallet' for Android tap 'Save to phone'.

Or you can also get a printed copy by:

- Downloading and printing your COVID-19 digital certificate or immunisation history statement from my.gov.au
- Calling the Australian Immunisation Register on 1800 653 809 and ask them to send proof of your COVID-19 vaccination to you

Sign into or create your myGov account at my.gov.au.

Link Medicare to your myGov account.

If you have any difficulty linking Medicare to your myGov account, please call Services Australia on 132 307 for assistance.

myGov

- Open Service Victoria App
- Tap 'Add certificate via myGov'
- Sign in to myGov account
- Scroll to 'Proof of COVID-19 vaccination'
- Tap 'Go to Medicare'
- Tap 'View history'
- Tap 'Share with check-in app'
- Tap 'Service Victoria'
- Read the conditions and tap 'Accept and share'
- Once you see your certificate tap 'Add certificate'

Yes

Do you need to add certificates for dependents?

No

Congratulations!

You have added your COVID-19 digital certificate to your phone!
