

CARE STUDY

DO YOU PROVIDE CARE TO, OR ARE YOU THE SIBLING OF, SOMEONE WHO HAS EXPERIENCED A MANIC EPISODE **OR PSYCHOSIS?**

WE WOULD LIKE TO HEAR FROM YOU.

Researchers at Orygen are seeking to understand what it's like to care for, or be the sibling of, someone who has experienced a manic episode or psychosis so we can improve the way we provide support.

Participation in this study is voluntary and involves completing an online survey. The survey can take up to 90 minutes but can be saved and completed over multiple sittings. As a token of our appreciation, you'll enter a draw to win one of five \$200 gift vouchers upon completing the survey.

To participate, simply scan the QR code or go to our online survey here: https://orygen.qualtrics.com/jfe/form/SV_9FQHjlfObuzwACy
