

NDIS KIDS CONNECT

Carers Victoria's NDIS Kids Connect program provides information, linkage and online workshops and information sessions to assist families with a child under 7 years old with a disability or developmental delay to successfully transition and connect to the NDIS.

Connecting to the NDIS and finding the right people to assist can be difficult and confusing. We liaise with Early Childhood Early Intervention (ECEI) partners and relevant service providers to assist families who are experiencing challenges in transitioning to the NDIS, or who are about to complete their first NDIS plan.

NDIS Kids Connect is a **FREE** confidential service that can provide:

- NDIS/ECEI information sessions customized to individual parent or organisational needs
- NDIS/ECEI resources and service provider information via phone or email
- Linkage of parents with their relevant Early Childhood partner
- Information/consultation to service providers with clients in the target group who are experiencing barriers to effective NDIS and other pathways

For more information please email Michele Semmens,
ECEI Transition Project Advisor at ECEI.Advice@carersvictoria.org.au
