

Join our VMCH Dementia-friendly Social Support Group

Do you care for someone living with dementia or memory loss?

If you care for a loved one with dementia/memory loss, come and join us for a relaxed morning to meet others in your area and spend some enjoyable time together.

Morning tea is provided and you can choose to join in with a game of social bocce (no experience needed) or just watch and enjoy a social morning out.

These events are for both the person living with dementia and their loved one.

Registration Essential

To express interest and learn more, please contact Catherine from VMCH Carer Support

What is Bocce? A target ball sport similar to Bocce that is designed to be accessible to those who are able bodied or who have limited mobility.

This group is organised by VMCH with the support of Bocce Victoria.

This opportunity is possible thanks to a Dementia Friendly Communities Grant from Dementia Australia
