## ARE YOU A **CARER** OF A PERSON LIVING WITH DEMENTIA?

### Invitation to participate in research

#### About the study

The aim of this study is to better understand the experience of carers of people living with dementia. We want to know more about:

- The impact of caring on your life and your mood
- Your knowledge and beliefs about dementia
- Your experience of dementia-related stigma
- Your response to changed behaviours
- Positive aspects of caring

#### What will I be asked to do?

You will be asked to complete a confidential online survey. The survey will take approx. **30 minutes** to complete.
